

Nine Then, "Nine" Now!  
This is unacceptable, isn't it?

"Does it  
have to be  
this way?"

"When do we  
begin to ask the  
serious  
questions?"

What  
more  
can be  
done?

*"It appears that my worst fears have been realized:  
we have made progress in everything yet nothing has changed."*
