Want to learn from leading scholars on how to save our democracy? Want to collaborate with expert organizers leading the fight for change? Want tips on how you can take action in your community? Democracy Defenders is for you. This in-person-only summer school will offer plenary panels, skills building workshops, small group breakouts, and engaging community building activities to train a new cohort of Democracy Defenders! This is an exciting opportunity to strategize for the future and build practical skills with inspiring organizers and community leaders in the fight for multiracial democracy. **Featuring Carol Anderson, Barbara Arnwine, Kimberlé Crenshaw and State Rep. Justin Jones.**

**Scarritt Bennett Center  
Nashville, TN**
