

BLACK WOMEN'S SELF CARE RESOURCE GUIDE

Organizations/Programs/Practitioners:

- [AAPF Young Scholars Program](#)
The Young Scholars Program (YSP) is a mentorship project in which a cohort of young Black women are organized to mentor and develop leadership skills of young Black girls. AAPF's operating principle is that young women are the best informants and intermediaries in providing experience-based support systems, guidance, and mentoring for the next generation of Black girl leaders. *Think Wellness* is one of our ongoing self-care projects that include [words of affirmation for Black girls](#), [mental health resources](#) and a [Black girl's guide to surviving quarantine](#).
- [Black Joy Parade](#)
BJP is a non-profit based in Oakland, California that exists to provide the Black community and allies a live experience that celebrates our influence on cultures past, present and future. Their ongoing projects include [Black Joy Brunch: A Fundraiser With Sobre Mesa](#). Learn more at their website: blackjoyparade.org and follow them on social media at IG: [@blackjoyparade](#).
- [Dive In Well](#)
Dive in Well works to diversify the wellness industry by providing tools to empower both individuals and businesses in the form of digital workbooks, workshops, consulting and corporate training. Their ongoing projects include "Free Swim" -- virtual wellness webinars that offer mindfulness practices from a diverse group of community leaders. Learn more and follow their other initiatives at IG: [@diveinwell](#)
- [Dr. Mariel Buquè](#)
Dr. Mariel Buquè is a holistic psychologist and sound bath meditation healer. Her work centers on helping people heal their whole selves through holistic mental wellness practices and on healing wounds of intergenerational trauma. She also focuses on delivering healing and anti-racism lessons and workshops, as she believes in the liberation of our minds and of oppressive systems as necessary qualities of our overall wellness. Find out more about Dr. Buquè and her available courses by visiting <https://www.drmarielbuque.com/>
- [Harriet's Apothecary Collective](#)
Harriet's Apothecary Collective co-creates a variety of healing spaces and workshops to support communities in organizational development, strategic planning, coordinating wellness spaces for activists and organizers, conflict mediation, capacity development, healing from institutional and/or organizational trauma, reconnecting with indigenous healing practices and more. Learn more about their workshops and whether they're a good fit for your org at IG: [@harrietsapothecary](#).
- [Heartwork EQ](#)
HeartWorkEQ is a personal development company specializing in faith-based, science-backed emotional intelligence coaching, events, and tools for women. Founded by Dr. Leslie Nwoke, their approach to emotional wellness is based on providing coaching and creative experiences that are spirit-led and science-backed. Learn more at their heartworkeq.com
- [Huru](#)
Huru gets its name from the Swahili word for "free". Imani Joye Sanders Samuels founded Huru to foster uninterrupted rest. Huru's all-inclusive rest experience infused clinical, cultural, and spiritual facets to offer deep introspection and optimal rest. Huru considers rest a kind of reparations. Their restorative, sacred spaces and global initiatives impact lives across Nigeria, South Africa, the United Arab Emirates, the United Kingdom, and, of course, our United States. To start your journey to stillness, visit www.huru.space or email hello@huru.space.
- [Nap Ministry](#)
The Nap Ministry, founded by Tricia Hersey, believes rest is a form of resistance and names sleep deprivation as a racial and social justice issue. The ministry examines the liberating power of naps and works with communities to install spaces where people rest together. The organization also creates workshops and performance art that looks to rest as a radical tool for community healing. Follow Hersey and ongoing projects at IG: [@thenapministry](#) and FB: [@Thenapministry](#).
- [OMNoire](#)
OMNoire is a wellness social community for women of color dedicated to living well from the inside out. Their mission is to connect like-minded women through events, retreats, and their online platform to cultivate strength, growth and positive manifestation in all areas of our lives. They believe that life truly begins through the interconnectivity of a healthy mind, body and spirit. Find out more by visiting their website omnoire.com/ or their IG: [@OMNoire](#).

- [Recovery to Relaunch](#)
Recovery to Relaunch is designed to help the powerful woman get back to having the powerful impact she was created to have. *Recovery to ReLaunch* is an application-only 90-day emotional recovery system designed for the high performing woman who's ready to repurpose her pain and relaunch her life after facing a major setback, trauma or life transition. Learn more at their website: recoverytorelaunch.com as well as their IG: [@heartworkdoc](#) and FB: [@HeartWorkDoc](#).
- [Self Care Agency, LLC](#)
The Self Care Agency, founded by Anana Harris Parris aims to provide quality products, consulting, training, speakers and comprehensive programming in order to help clients to create a realistic Self Care Plan. Their ongoing projects include a Strategic Self Care Series and a virtual workshop on Strategic Self Care 101, facilitated by Harris Parris. You can also sign up for a workshop or learn more about the Self Care Agency at IG: [@theselfcareagency](#) and FB: [@TheSelfCareAgency](#). For more resources from Anana on Strategic Self Care you can visit <https://www.selfcareagency.com/resources-specials>.
- [Shawna Murray Browne LCSW-C](#)
An award-winning community healer, national speaker, and trained integrative psychotherapist, Murray Browne is a Liberation-Focused, Mind-Body Medicine Practitioner. As part of her work to create life-changing, community-based sacred spaces honoring culture, and to equip Black women, youth, and change-makers with the tools to heal themselves, Murray Browne offers the #HealASista Project: Inner Circle and guided meditations and workbooks for Black woman healing at www.ShawnaMurrayBrowne.com/shop, and you can find out more about her work at her IG: [@healasisista](#).
- [The Boris Lawrence Henson Foundation](#)
The Boris Lawrence Henson Foundation, founded by Taraji P. Henson, works to provide support and bring awareness to mental health issues that impact African American communities. They partner with other nonprofits to offer programs that educate, celebrate, and make visible the positive impacts of mental health wellness. Their ongoing initiatives include a free virtual therapy support campaign raising money for mental health services for teens and young adults. Learn more at borislhensonfoundation.org.
- [The Embodiment Institute](#)
The Embodiment Institute is a training and research entity serving our embodied transformation founded by Prentis Hemphill. The institute is focused on bringing relational transformation in our communities through embodied healing and towards justice. They believe that to live out our visions for interdependence and for the abolition of harmful systems, communities and individuals have to develop embodied and emotional capacities that reinforce these visions and make them possible. Learn more about their ongoing projects at IG: [@the.embodiment.institute](#).
- [Therapy for Black Girls](#)
Therapy for Black Girls is an online space dedicated to encouraging the mental wellness of Black women and girls. The organization connects Black women and girls to therapists near them. Creator Dr. Joy Harden Bradford also hosts a popular podcast and blog with the same name. You can search for a therapist in their online directory at <https://providers.therapyforblackgirls.com/> and learn more at their [blog](#) and IG: [@therapyforblackgirls](#).
- [Therapy That Liberates](#) (therapist directory)
Therapy That Liberates was created as a response to the Baltimore grassroots community requesting mental health professionals and healers centering Black liberation and healing. This is an initiative of Kindred Community Healing and centered on Shawna Murray-Browne's Liberation-Focused Healing framework. Follow Therapy that Liberates on IG: [@therapythatliberates](#) and check out their website: therapythatliberates.com.

Podcasts/Apps:

- [Liberate App](#)
Liberate is a subscription-based meditation app that includes practices and talks designed for the Black community. Liberate is led by BIPOC teachers and designed for the Black experience. The app is designed to support Black folks on their path to healing by naming and offering resources for common cultural experiences, like internalized racism and microaggressions. To download, or to find out more visit their website at liberatemeditation.com.
- [Life, I Swear Podcast](#)
Chloe Dulce Louvouezo is the host of Life, I Swear, a podcast that brings together Black women to share reflections about trials in their lives and what helped them heal, connect, and process. Through one-on-one interviews and personal prose, the podcast uses personal stories to offer universal insights into topics relevant to modern women's lives, from identity and vulnerability to trauma and resilience, told through the lens and voices of Black women. You can learn more about the podcast and subscribe at [Spotify](#) and [Apple podcast](#), and find their social media at IG: [@lifeiswear](#).

Books/Articles:

Merchandise and Other Items:

- [LovingMe Tees](#)
Owned by Eleana Johnson, LovingMe Tees is a self-love apparel brand created to empower females to love and accept themselves from the inside out. Their Tees are statements of love celebrating self-love and body positivity. Their Tees come in black or white, because when it comes to love, there is no gray space. To purchase your Tee or to find out more about LovingMe Tees visit <https://lovingmetees.com/>
- [Little Black Boutique](#)
Founded by Isis-Rae Goulbourne, Little Black Boutique is a collection of tools to help you reconnect with your truth, find your balance, and embrace your full power. Incorporate these tools and practices into your life, and you will break through barriers, reaching beyond what you ever thought possible. Find out more by visiting their website <https://www.littleblack.boutique> or check out their IG: [@littleblack.boutique](https://www.instagram.com/littleblack.boutique)
- [Black Self Care Talk](#)
Black Self Care Talk is all about uplifting the Black community by promoting Self Love and Self Care. This brand was created by Geena Williams to be a place where Black men and women could come together to pray, vent, laugh, and heal. Check out their collections of apparel and accessories by visiting <https://blackselfcaretalk.com/> or follow their IG for daily prayers and affirmations [@blackselfcaretalk](https://www.instagram.com/blackselfcaretalk)
