

Freedom to Learn Presents: **DEMOCRACY DEFENDERS -- SUMMER SEMINAR AND SUMMIT**

July 20-25, 2025 | Nashville, Tennessee

A dynamic and engaging in-person-only Nashville summer school will offer plenary panels, intensives, skills-building workshops, small-group breakouts, and engaging community-building activities to train a new cohort of Democracy Defenders!

This is an exciting opportunity to learn from leading scholars on democracy and fascism, civil rights and democracy advocates, and local community leaders as we forge the path ahead.
